

message from the *President*

This third quarter was marked by a great loss to all Malaysians when First Lady Datin Paduka Seri Endon Mahmood passed away after a long illness. MAF members extend their condolences to the late Datin Paduka Seri Endon's family.

At this time of the year too we look back on our performance as we prepare for the new year when the AGM will be held. MAF

members who are still hesitating should reflect on how they can contribute to the running of our association and step forward to stand for office come election time.

48TH MERDEKA SPECIAL

A National Day reception, a Malaysian Bazaar, Merdeka Golf Tournament and a Bowling Competition were organised by the Malaysian Embassy to mark the 48th anniversary of our independence. More than 250 guests, including the US Ambassador to France, Craig Stapleton, senior French government officials and captains of industry attended the National Day reception at the Concorde La Fayette Hotel on 7 September 2005. Malaysian Ambassador to France H.E. Dato' Hamidah Mohd Yusoff and her spouse, Encik Abdul R. Zabidin were on hand to receive the guests, who included Plantation Industries and Commodities Minister the Hon. Datuk Peter Chin Fah Kui.

The Malaysian Bazaar at the Ambassador's residence, Rumah Malaysia, was well attended too, attracting more than 250 guests. They included foreign diplomats as well as the French and international communities in Paris. The foreign guests had a great time sampling exquisite Malaysian fare such as nasi lemak, satay, roti canai, murtabak, vadai and ais kacang. Both the Merdeka golf tournament and bowling competition also attracted a good response. The participants comprised of ASEAN ambassadors, Malaysian Embassy officials and their guests, as well as members of the Malaysian Association in France (MAF).

Malaysian Fairuz Fauzy finished 10th in GP2 race at French Grand Prix

Malaysian DAM's driver, Fairuz Fauzy, finished the GP2 Race in 10th place for Race Two during the French Grand Prix, held at Magny-Cours on Sunday, July 3, 2005.

"It was a good experience for me to be at Magny-Cours. As the track was very technical, it wasn't easy to set up the car to make it faster," said Fairuz when he visited the Embassy of Malaysian in Paris after the race. "It was also a good opportunity for me to experience the physical track at Magny-Cours".

After Magny-Cours, Fairuz took part in the GP 2 series of the British Grand Prix in Silverstone on July 9 and 10, 2005

Hopeful of being Formula One driver, Fairuz, who started racing go-karts since the age of 12, had a successful career in England in Formula 3 before joining the newly created GP2 series earlier this year. The GP2 series is a training ground to help young drivers achieve their dream of participating in the Formula One World Championship. To know more on Fairuz's achievements, see www.fairuzfauzy.com

THE world's largest international fashion showcase, PRET-A-PORTER PARIS from 2 - 5 September 2005, has increased its leading brand offerings with the historic addition of purple cinnamon by Rita Shah – the first designer from Malaysia.

This appearance marks the launch of the purple cinnamon resort collection in Europe, featuring chic, versatile creations for the modern day multitasking woman. Rita Shah's participation in Pret-à-Porter is facilitated under the Women Trade Outreach programme (WTOP), managed by the Malaysia External Trade Development Corporation (MATRADE) to assist women entrepreneurs to promote their products and services abroad. Rita Shah can be contacted at: pr@purplecinnamon.com, www.purplecinnamon.com

Hualon expands textile

exports to Europe after world fair

A MALAYSIAN textile manufacturer has expanded its exports to European countries, notably Britain, Belgium, Spain and Germany, following its participation in the Texworld International Fair in Paris from 19 to 22 September 2005.

According to Ong Jaw Lin, marketing manager of Nilai-based Hualon Corp Sdn Bhd, new orders have also come from eastern Europe, especially Poland and the Czech Republic. Ong noted that Malaysian textile manufacturers had to produce better quality fabrics to stave off stiff competition from China. Among the visitors to Hualon's stand was Malaysian Ambassador to France, Datuk Hamidah Mohd Yusoff, who was accompanied by senior officials from Matrade and Mida in Paris.

Malaysian Mofaz Group signed an agreement with French 24powergroup

The Mofaz Group signed an agreement with French 24powergroup, a leading French energy drink producer, to promote the 24powerdrink in the rapidly expanding energy drink market in Malaysia and the Asian region. The signing of the agreement between the two companies held at Magny-Cours, France on Sunday, 3 July 2005 was witnessed by H.E. Dato' Hamidah Mohd Yusoff, Ambassador of Malaysia to France.

The new partnership was also announced in conjunction with the GP2 Series championship held during the French Grand Prix at Magny Cours. The 24powerdrink is the official drink of the DAMS' team of which Malaysian DAM's driver Fairuz Fauzy participated in the GP2 race.

The Mofaz Group will handle the sales and distribution of the 24powerdrink in Malaysia and the Asian region including Singapore, Thailand and Indonesia. Unlike other energy drinks, 24powerdrink has a unique taste, with a passion fruit flavour, which sets it apart from other energy drinks.

The 24powerdrink was scheduled to be made available in the Malaysian market in mid-August 2005.

FRANCE-MALAYSIA BUSINESS NEWS

Malaysia Calls French Companies To Form JVs In Auto Component

KUALA LUMPUR, Sept 17 (Bernama) -- Malaysia has called on French automotive component manufacturers to consider joint ventures with their Malaysian counterparts in the automotive component sector.

The call was made by Minister of Plantation Industries and Commodities Datuk Peter Chin Fah Kui at a seminar on "Malaysia-France Business Opportunities in Rubber Products" held at the Concorde La Fayette Hotel Paris on 9 September 2005.

French companies are also encouraged to look upon Malaysia as a source for sub-contracting business in the rubber manufacturing sector and to joint venture with Malaysian companies in the field of technical collaboration or transfer of technology.

In terms of bilateral trade, Malaysia's exports of rubber products to France grew 115 percent to US\$58 million in 2004 from US\$27 million in 2000. Latex dipped goods accounted for 82 percent or US\$47 million of Malaysia's total exports of rubber products to France, consisting mainly of rubber gloves, catheters and latex thread.

The seminar, which was jointly organised by the Malaysian rubber agencies in collaboration with Malaysia External Trade Development Corporation (Matrade) and the Malaysian Industrial Development Authority (Mida), was also attended by Malaysian Ambassador to France Datuk Hamidah Mohd Yusoff. -- BERNAMA
